PEOPLE OF ACTION

We are the English speaking Rotary Club in Kyiv, Ukraine. We offer great opportunities to get involved in the country that is our home - temporary or permanently. Our members are an equal mix of Ukrainian and foreign.

Our club is a proud part of the international Rotary community. It is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together.

We are proud sponsors of the Kyiv Multinational Rotaract Club for members up to 30 years and of the Interact Club at School 155 for children.

Solving real problems takes real effort, commitment, and vision. We focus our efforts on the weakest members of the Ukrainian society - children. We do this in projects to improve health and education.

Since our foundation in 2006, more than 10 hospitals have received incubators and other equipment, we have helped establish the Unemployment Center for Free People for refugees, 7 orphanages have received clothes and equipment, 10 children with cerebral palsy have been operated and trained, we are permanent supporters of the Maria House for children in Troeshyna and much more...

MAKING A DIFFERENCE

In total, we have touched the lives of several thousand children - and fundamentally changed the lives of more than 500.

This year, we are working with Rotary Clubs and other partners in many countries and with Ukrainian partners on these projects and more:

- Providing 600 computers to 60 schools along the contact line in Donbas to provide better opportunities for children most affected by war.
- Establishing a parents union for children affected by cerebral palsy.
- Providing hospital equipment from Canada to hospitals in Ukraine - already 5 containers have been distributed.
- Training doctors at the Kyiv #1 Childrens Polyclinic in treatment of cleft and its complications: dental, cosmetic, speech, etc.
- Renovating a holiday home for The Way Home - an NGO in Odesa operating 8 orphanages for steet kids and children from the war zone.
- Financially supporting orphan families in Slaviansk.
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all

GET INVOLVED

We have fun, build friendship and truly make a difference. By becoming a member, you can also make an impact in Kyiv, in Ukraine, and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

I am a member of Kyiv Multinational Rotary Club because, as one of the original founders, we had this idea: to have a lot of fun while raising funds to do good. The idea WORKS !

I am happy to be a part of the KRMC team and to be doing truly valuable things. Helping one person might not change the world, but it could change the world for one person.
